Overview & Current Events

Stock Yards Bancorp, Inc. (SYBT), with \$8.12 billion in assets, is the bank holding company for Stock Yards Bank & Trust Company which provides various financial services for individuals, corporations, and others in the United States. It operates in two segments, Commercial Banking, and Wealth Management & Trust (WMT). Its banking services include loan and deposit services, cash management services, securities brokerage activities, mortgage origination, and others. In addition to its banking operations, Stock Yards Bancorp's Wealth Management and Trust Group has \$8.17 billion in assets under management. The Commercial Banking segment accounts generate most of the company's income. Stock Yards Bancorp was founded in 1904 and has about 1,000 employees.

On April 24th, 2024, Stock Yards Bancorp released first quarter 2024 results for the period ending March 31st, 2024. For the quarter, the company reported a net income of \$25.9 million, or \$0.88 per diluted share, a decrease of 11% compared to a net income of \$29.0 million, or \$0.99 per diluted share, for the first quarter of 2023.

The results were driven by steady loan growth and solid asset quality, with total loans increasing by \$607 million, or 12%, year-over-year. Net interest income was \$60.1 million, down 5% from the previous year, impacted by a cost of funds increase outpacing yield growth, resulting in a net interest margin of 3.20%. This represents a contraction of 39 basis points compared to the 3.59% recorded in the first quarter of 2023. Non-interest income rose by 6% to \$23.3 million, boosted by record wealth management and trust income of \$10.8 million due to strong equity market performance and new business growth. Non-interest expenses climbed 8% to \$49.0 million, largely due to higher compensation and benefits. Credit quality remained robust with a decrease in non-performing loans to 0.24% of total loans. The bank continues to be "well-capitalized" with a tangible common equity ratio of 8.36% compared to the year-ago 7.74%, reflecting a sound financial position. The bank will continue to focus on organic growth, retention of talented people, and building a full client relationship in the commercial banking segment. The bank anticipates net interest margin compression to stabilize in second quarter of 2024, with expectations for margin expansion before the end of the year.

Valuation Analysis

Year	2014	2015	2016	2017	2018	2019	2020	2021	2022	2023	Now	2029
Avg. P/E	12.9	14.4	16.9	23.7	14.9	12.6	14.3	17.9	19.6	14.0	13.0	15.0

During the past decade shares of Stock Yards Bancorp have traded with an average price-to-earnings ratio of about 16.1 times earnings and today, it stands at 13.0. We are using 15 times earnings as a fair value baseline, implying the potential for a valuation tailwind. The company's dividend yield is currently 2.6%, which is above the average yield of 2.4% over the past decade.

Safety, Quality, Competitive Advantage, & Recession Resiliency

Year	2014	2015	2016	2017	2018	2019	2020	2021	2022	2023	2024	2029
Payout	38%	39%	40%	48%	40%	36%	42%	37%	36%	33%	34%	34%

During the past five years, the company's dividend payout ratio has averaged around 40%. The bank's dividend is comfortably covered by earnings. Given the expected earnings growth, there is room for the dividend to continue to grow at the same pace and keep the payout ratio around the same levels which is safe.

One of the key aspects of Stock Yards Bancorp, Inc.'s business model is its focus on full relationship banking in the commercial banking segment. The company's goal is to establish long-term relationships with its commercial clients, providing them with personalized financial services to meet their specific needs. The company also places a strong emphasis on operational efficiency and organic growth in large mature markets complimented by acquisition. In 2021, the company acquired Kentucky Bancshares followed by Commonwealth Bancshares in 2022. Over the past 33 years, Stock Yards Bancorp has managed to increase its earnings per share in 29 of those years. This impressive trend was disrupted in 2008 and 2009 due to the recession, in 2017 due to the impact of tax reform, and in 2020 due to the COVID-19 pandemic. In March 2024, S&P Global Market Intelligence once again recognized Stock Yards as one of the Top 50 Best Performing Community Banks with total assets between \$3 and \$10 billion at the end of 2023. The rankings assess the performance of banking institutions based on returns, growth and funding, while placing a premium on balance sheet strength and risk profile.

Final Thoughts & Recommendation

Stock Yards Bancorp, Inc. is a community bank with a focus on Commercial Banking and Wealth Management & Trust services that has built a reputation for financial strength and community involvement resulting in a solid EPS growth track record combined with 15 consecutive years of dividend growth. We estimate total return potential of 9.2% per year for the next five years based on a 4% earnings-per-share growth, a 2.6% yield, and a valuation tailwind. Shares earn a hold rating.
